Why buy your RCA Victor car stereo tape cartridges at a run-down crummy looking joint like this out in the middle of nowhere?

Because we, and only we, let you listen to them before you buy. We discount and stock the complete RCA Victor 8 track stereo tape cartridge library. From \$4.95. If you live out of town and can't come in, please write for free catalog and tape lists. (We sell car stereo tape players, too, which isn't unusual. But we also install them, which is.)
